Budget for Laurels Clan International School

Social media, website and Google growth plan · Valid until 30 November 2026

1. Social Media Management — Main service

- Monthly content calendar planned around school events and admissions
- 12 designed posts and carousels in LCIS colours, with clear branch labels (Tandalja / Gorwa)
- Covers, captions, hashtags and location tags for the reels your team shoots
- Posting on Instagram and Facebook, and replies to comments and messages on working days
- Monthly report (reach, followers, enquiries) and a review call

₹12,000
per month

2. One-time setup

- Instagram and Facebook profile makeover: name, bio, link and contact buttons
- New highlights: Admissions, Tandalja, Gorwa, Facilities, Reviews, Champions
- Canva template kit (20 designs) your team can reuse
- Parent media consent form and posting guidelines (DPDP Act)

₹10,000
one-time

3. Website and SEO

- **One-time clean-up:** remove demo text, add real content, enquiry form, WhatsApp button, privacy policy page and branch details
- **Monthly SEO:** Google ranking for local searches, Google Business Profile for both campuses, review requests, Google Analytics report

₹8,000
one-time clean-up

₹5,000
per month SEO

4. Admissions campaign (optional, December to April)

- Facebook and Instagram lead ads targeted at parents near each campus
- WhatsApp follow-up for every enquiry, and a simple lead sheet
- Ad spend is paid by the school directly to Meta (we suggest ₹10,000–15,000 a month)

₹7,000
per month + ad spend

Recommended starting plan

Item	Amount
Social Media Management (monthly)	**₹12,000**
Monthly SEO and Google profiles	**₹5,000**
Combo price: Social Media + SEO (monthly)	**₹15,000**
One-time setup + website clean-up (₹10,000 + ₹8,000)	**₹18,000**
Setup at a special price with a 6-month plan	**₹12,000**

Example: on a 6-month plan, LCIS pays ₹12,000 once for setup and website clean-up, then ₹15,000 a month for social media and SEO. That is a complete digital marketing team for about the cost of one staff salary, with no equipment or software to buy.

What we need from the school

- One coordinator (teacher or office staff) to share photos and videos in a shared Google Drive folder
- The school event calendar at the start of each month
- Access to Instagram/Facebook through Meta Business Suite, and website admin access for the clean-up
- Approval of posts within 48 hours

Terms

- Minimum 3 months, then month to month or a 6-month plan
- Setup: 50% advance, balance on delivery. Monthly fees paid in advance by the 5th of each month
- Prices are exclusive of GST, which will be added if applicable
- Photo and video shoots are done by the school's team; Fastgrows handles planning, design, captions, covers and posting
- All designs and content belong to the school once paid
- Student photos are posted only with parent consent
- 30 days' notice to stop the service
